ARRIVAL INSTRUCTIONS

The car park for the woodland workshop is on the left 20 yards up the lane from the entrance to Higher Holditch farm - you will see a chetnut fence with two gates as you enter the car park. Having parked go through the pedestrian gate on the left and follow the path down to the woods. You will see our tipi and workshops as you walk down into the woods & we will be meeting here for tea and coffee. Please do not leave any valuables in your car as we can not be responsible for unattended cars despite being in a remote and quiet and generally trouble free location.
