ONE DAY TASTER COURSES can also be booked for any weekday for individual tuition or for groups of up to four guests. The taster courses are for spoon carving, green woodworking or family days - minimum age 10 years (£250 per day regardless of numbers one to four attendees)

CORPORATE OR FAMILY & FRIENDS GROUP EVENTS can also be booked in advance for any of the above courses or for additional projects including coracle making, bushcrafts, primitive pottery, and other project based events.

LUXURY CAMPING IN THE WOODS is proving very popular. If you would like to stay whilst attending a course please do reserve your place when booking your course as our 'Crafty Camping' does get fully booked well in advance and once we are full we are full.

Our yurts, tipi and bell tents are all equipped with king sized beds, white cotton sheets, duvets and towels, log burners, hot water bottles and are very comfortable and cosy. Outside each tent there is a picnic bench with BBQ, kelly kettle and pots and pans. There is the now legendary woven willow woodland shower with endless piping hot water, our lovely grass topped loo block (separate his and hers) and the fully equipped kitchen tent with oven, gas rings, hot water washing up facilities and everything you need for a luxurious and comfortable stay in the woods. If you fancy a bit of fishing there is also a trout pond for catching your dinner too!
